Dear Arizona Helping Hands Family,

Thank you for taking an interest in the financial health of Arizona Helping Hands (AHH).

Since 1998, AHH has had a strong history of providing a broad range of services. Ten years ago, our Board of Directors narrowed the focus to the foster care community. Since then, we have become the state's largest provider of essential needs for children on a foster care journey.

Our organizational infrastructure and program models have shaped our organization into a professional, innovative, and nimble human-centric entity. As a part of our strategic plan, we are committed to investing in expansion strategies with a focus on maximizing access to our services while keeping our mission at the forefront. These intentional changes align our programming and administrative costs with best practice standards as outlined by the Better Business Bureau. AHH currently stands at 80% of program costs with 20% remaining to cover operational costs, including fundraising.

AHH's mission is to support the foster care community, providing essentials to benefit children in foster care. Our full commitment is to provide our services in a safe, human-centric environment, where our broad community (donors, volunteers, clients, and staff), can support the families who open their hearts and homes to the more than 14,000 children in foster care.

The generosity of our donor community provides resources in the way of product and monetary support and for that, we are forever grateful.

Our collaborative efforts throughout the State of Arizona are grounded in our why: we believe all kids deserve a chance to win!

Thank you for your time in reviewing our official fiscal year 2022 form 990 and for additional information regarding our impactful work, please visit [www.azhelpinghands.org](http://www.azhelpinghands.org).

Sincerely,

Jay R. Spector
