### MISSION

We support the foster care community by providing essentials to benefit children in foster care.

### THE FOSTER COMMUNITY

Every day, in both Arizona and New Mexico, families and individuals answer the call when a child is in need of a safe place to be cared for and loved. Our goal is to make it a little easier for them to say, "Yes."

### THE CHILDREN

Including both state and tribal care, roughly 11,000 kids in Arizona and 3,500 kids in New Mexico make up the foster community in our two states.

### OUR PROGRAMS

We provide brand new essentials such as: beds, cribs, clothing, shoes, diapers/wipes, school supplies, licensing and safety items, as well as birthday and holiday gifts.

## MAKING A DIFFERENCE

We invested \$5.5 million of resources into the foster community last year. By providing these basic essentials, we helped keep siblings together and allowed foster families to focus on other expenses, like gas, rent, groceries, utilities, etc.

## OUR APPROACH

We strive to be **compassionate** while creating opportunities for **innovation** to deliver **human-centric** approaches.

We do this work with our three philosophies top of mind:

- "Where they need us, When they need us."
- "When we work together, foster kids win!"
- "They deserve more than just enough."

## CORE VALUES

Accountability | Integrity | Collaboration | Respect  
Service | Stewardship | Urgency | The WOW Factor

## YOUR ROLE

Join us! Feel free to bring your friends, families, and colleagues and make a difference, today!
